Description Reviews (0) Discussions (3)

Pluto is a [open-source](#) responsive admin theme based on Bootstrap 4 that is ideal for quickly building dashboards and web applications. It features a modern design style with subtle shadows and a card-based layout influenced by material design concepts, as well as a basic color scheme. You can get the proper tools to expand your agency and take on several projects without compromising quality or wasting time with this ready-to-use Bootstrap [HTML & CSS template](#). This template is **fully responsive** and works with the most recent devices and browsers. This responsive Bootstrap template has been carefully developed to follow the latest user experience trends and is adaptable enough to be used in a variety of applications.

Free Bootstrap 4 HTML5 Admin Dashboard Template

Besides, Pluto also includes two dashboard designs and a slew of modern features like a **collapsible navigation bar**, **dropdown menu bar**, **fixed top navigation bar**, **UI elements**, **additional pages**, **maps**, **charts**, **different types of tables**, and **many more**. It's simple to

customize because of its well-documented and well-organized code. You can also add functionality to the template's components. Instead of beginning from scratch, you can save a lot of time and effort by utilizing Pluto. If you're planning to work on a personal project or seeking a free admin template, Pluto could be the ultimate choice.
